STHOA Board Minutes meeting July 7, 2020

Via Zoom

Attendees:

Board Member - Emma Bernier, Henry Bellows, Pat Branch - technological issues prevented audio. Absent Don Agett, Linda Reise.

Meeting was called to order at 6:15 p.m.

Audio Issues Prevented a quorum on board to be present. **The meeting was rescheduled for Wednesday, July 22 at 6 p.m.**

Ed Robbins gave a briefing on the status of the pool and vinyl siding projects.

- 1) The Pool Contractor has not been able to hire life guards for the pool and the Recreation Association is not clear about liability insurance for opening the pool. Questions were referred to the Recreation Association.
- 2) Vinyl siding- the contractor designated by the board has decided he will not participate. Ed had a vinyl siding contractor come over and survey the houses and would begin to work up estimates on some of the houses based on NOT removing exterior boards. More research is required on issues of rot and replacing or removing boards.
